# Astute's Key Mentoring & Leadership Team:

## Dr. David Kaufman

MD, Advisory Board Member - Research Mentor

---

Dr. David Kaufman, an infectious disease specialist in New Jersey.

Kaufman is now mentoring a new generation of physicians through the Inspira Health Network residency and fellowship programs.

About starting Residency Program: **"I thought the best way for us to get good young docs down here is to grow them here,"** Kaufman said. "That was my biggest motivation, you bring down the young docs, you give them good role models, you teach them."

"Part of it is you have to be a true believer, you have to believe what you are doing is just something so essential, something so good, something you've answered a calling for," . "People nowadays call it passion – I have a passion for medicine."

"He's very sharp, he studies a lot, and then he challenges you,". **"He makes the people around him better doctors."** Dr. Kush Sachdeva, MD, Leading Oncologist in New Jersey says.

## Astute's Key Mentoring & Leadership Team:

### Dr. Kush Sachdeva,

# Astute's International Medical Career Mentoring Program USA – Residency Program – World's #1

## Mentoring Module for Medical Students – 1st and Unique Initiative

**Astute Academy has team of Expert Doctors and Academicians in USA guiding students for Residency and PA Admissions. The team have years of experience helping students to pursue their dreams.**

- ✓ Profile Evaluation
- ✓ Academic and Non-Academic Profile mentoring by US Doctors/Academicians
- ✓ Well structured Quarterly program Design
- ✓ Virtual and/or Physical Clinical rotations in USA Hospitals
- ✓ Execution of Research Projects with Publications
- ✓ Letter of Recommendation from USA Doctor
- ✓ Residency Program Selection matching Profile
- ✓ ECFMG registration & ERAS application process
- ✓ Robust Documentation matching Residency program
- ✓ University Follow-up for Residency Interview
- ✓ Training for Residency Interview
- ✓ Handling MATCH and SOAP admission Process
- ✓ Strategies for Residency admission
- ✓ Final Residency admission
- ✓ VISA assistance
- ✓ USMLE Step-1 & Step 2 - CK training

US team of expert doctors will evaluate and design quarterly plan for Academic and Nonacademic profile enhancements.

From 26th January 2022, US Medical Licensing Exam (USMLE) Step- 1 became just Pass/ Fail with 196/300 passing marks.

The USMLE Step-2 Clinical Skill exam already discontinued.

**Effectively USMLE Step 2 Clinical Knowledge exam is ONLY exam with around 15% weightage to Residency. Profiling has around 80-85% weightage to Residency admissions.**

**Astute also help provide guidance for PA – Premier USA Medical PG program without need to appear for USMLE exam and Research Fellowship for Doctors.**

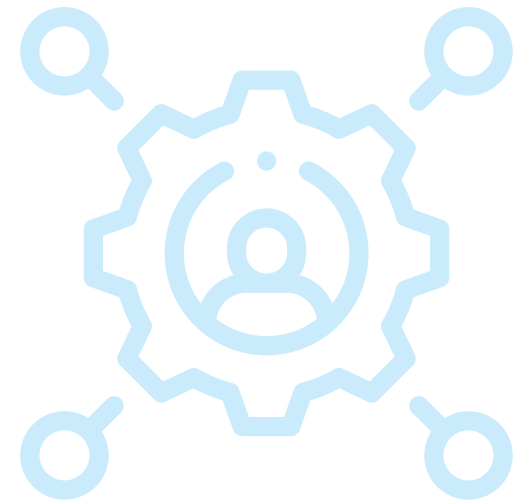

## Skill Identification and enhancement

There are large number of Skill development programs undertaken by Central and State governments to make children employable.

However, many programs are unable to meet the requisite results due to lack of Skill Identification mechanism. First, the existing skill, ability and personality of the student be evaluated and suggest right skill training for a successful career.

Every student is unique with varies Skills and ability. Identification of those skills is very complex phenomenon and need Psychometric Analysis.

Unfortunately in India, we have severe shortage of Career Counsellors. The Government must start courses for creating Career Counsellors who in tern can help identify skills and pave way to make employable. Astute has taken steps to creat career counsellors so as to enhance reach.

## We help choose a career matching Skills, Ability & Personality

Astute Academy believes "Quality education & Successful Career is the Fundamental Right of Every student" Irrespective of the Academic or Financial profile, each student deserves to be admitted to Quality University/Institute. Astute Academy's Experienced Counsellors Mentors for Career

Choices in India, USA, Germany, Philippines, New Zealand, Europe, Australia, Canada, Ireland, UK, Singapore, Switzerland , Dubai and many more countries across Globe.

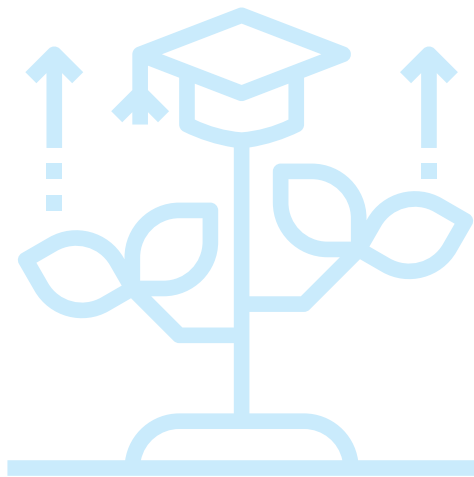

## Rural Empowerment

Dr. Tushar Vinod Deoras always believe in Rural empowerment. Actively involved in guiding Rural students for their career choices through Informative seminars, webinars and personalised counselling free of cost. Till date Lacs of students have been counselled.

Empowering girl education is the biggest challenge in rural India. Parent's counselling and guidance is most critical to avoid early girl marriage and making them realise the need to educate girl child. The poverty in villages is pushing parents to take such decision. Dr. Tushar Vinod Deoras helping parents bridge the cost of education and survival. Lack of awareness of Government schemes and NGOs working to help students make career. It is important to identify and link.

## Quality of Teachers

Indian institutes lack research and thereby teaching is not a preferred Career. The teachers are first and most important pillar of education. India needs talented teachers having multi-faced skills. Indian education system must pay the highest level of salary to attract the best of talent.

In order to pay well to teachers, the institutions must attract Research funding and should not be run on student fees. Financial viability of Government and Private institutions is key.

Dr. Tushar Vinod Deoras has undertaken many such projects to self-fund education institutes with an impetus to affordable education. Identification of strengths of institutions and the providing right collaborative approach is crucial. Educational institutes rather than competing must collaborate to make a world class eco-system

# Astute's Unique Research Outsourcing for Indian Institutes

Research is missing component in Indian education system. The lack of quality teachers and funding required for Research making Indian institutes suffer. The quality of Indian institutes are constantly dropping rather than improvement. USA & Germany has one of the best Education in world. They get huge Research Funding thereby providing quality education. Large number of Professors teaching in Universities have got Nobel Prizes.

**Astute has taken lead in collaboration of USA universities with Indian Institutes and offer services for:**

1. Joint Curriculum Development
2. Training the Teachers- Most important
3. Running Twinning Programs for Bachelor's and Masters
4. Running International Degree Programs in Indian Institutes
5. Tie-up for International Admissions with Scholarships
6. **Research Outsourcing** - After Training teachers, the next step by US universities to transfer Research projects in India with major Foreign Direct Investment in Indian Institutes. Will enhance Financial strength with improvement in Quality of Education.
7. Astute helps institutes become financially viable by Quality external research funding & re-structuring of courses
8. With 100% FDI-Foreign Direct Investment, the institutes soon will face global competition. In view, they must take pro-active step to collaborate rather than compete.

# Astute's International Career Mentoring Program

## Plan for Growth and Financial Viability

Educational institutes in India are facing multifaceted challenges. With 100% Foreign Direct Investment (FDI) with single window clearance in the Education sector, institutes will be meeting international competition in the next 3 to 5 years.

USA and German Universities are looking at India as a significant student market. They have already taken steps to provide quality education with Huge Scholarships in their respective countries.

Currently, USA & German Universities are not hesitating to provide 100% scholarships to Indian students. However, once these universities establish their base in India, the complete educational scenario will change.

**Astute Academy believes that the time has come for Indian Institutes to collaborate with International Universities rather than compete.**

With an expert team headed by Ex-Dean of USA Ivy league University and assisted by a group of academicians, Astute Academy, USA can help Indian institutes face challenges.

Dr. Tushar Vinod Deoras also believes financial viability with **zero dependence on student fees** is key to survival and growth. In view, holistic evaluation of institutes' strength coupled with expert guidance and execution plan is a must.

Astute Academy has devised a well-structured plan starting with a complete evaluation of the institute's strengths, defining objectives, restructuring courses, designing high worth courses, syllabus development, Faculty development, International University collaborations, collaborative research, research outsourcing, and finally, Financial viability.

Astute Academy will also help for Business Development by opening International campuses. Astute Academy will be a single point of contact for all futuristic needs.

# USA – Bachelor's, Master & Ph.D. – Elite University Admits

# Astute's Mega USA Venture for Medical Education – World's #1 Education

## **Base in Chicago, Philadelphia & New Jersey**

Dr. Tushar Vinod Deoras's Astute Academy proudly announces expanding into full-fledged entity in USA, a dream education destination which every global student aspires. Astute Academy is helping Indian students for US education for more than 2 decades but this is first such initiative undertaken where USA will be acting as Astute's Global Hub.

Dr. Tushar Vinod Deoras is not only providing Counselling Services to Indian students but is guiding students from USA, Germany, Singapore, China, Russia, Ukraine, Georgia, Philippines and many more countries with central hub at USA. MBBS students from some of the above countries struggle with FMGE, NEET-PG and now NEXT. Astute felt the need to help these students aspire Free Medical Career in USA with stipend.

Another Major venture is launched in Berlin, Germany which will and pave way for European education. Germany is one of the top 5 economies in the world and majority of research oriented courses are free.

The Astute's USA venture is projected to generate Revenue to the tune of US \$ 30 Million in next 3 years and US \$ 150 Million in 5 years making Astute Career Counselling Academy formidable force in the World.

Dr. Tushar Vinod Deoras aspires to bring Research to Indian institutes and bring FDI into Indian Education sector. The Research Outsourcing sector is expected to have potential of 5 times more than IT sector.

## Some of the Major initiatives with Options for Students:

 Residency Program - Medical PG

 Research Fellowship

 Physician Assistant (PA) - Medical PG

 Medical Technicians & Technologists

 Clinical Rotation in USA Hospital

 Fellowship for Doctors

 Expertes in USA VISA guidance

 US University to Indian Institute Tie-up

 Bachelor's, Master's and Ph.D

 MBA, MS for Students with 15 years education

 Mentoring - SAT/ACT, AP, GRE, Subject-GRE, TOEFL, IELTS

 Astute's Mentoring Program

 USMLE Step-1 & Step 2-CK Training

 Scholarships and Funding

# International MBBS Education

**"If you can diagnose a patient, you can treat the patient"** is Global theme from 2022

## Focus on Post Graduation ( MD/MS or USA-Residency)

Astute's Unique basket offers admits in ONLY Prestigious Universities in various countries with focus on PG education:

1. USA - Bachelor of Science (BS) & Doctor of Medicine (MD) or Doctor of Osteopathy (DO) program with Scholarships - MCAT Mentoring
2. Germany - Free Education in German Medium.
3. Philippines - Gateway to USA with option to go to USA for MD/DO program after completing BS - 2 years. **Astute's unique International Batch** helps last 1 year Internship in USA hospitals ensuring easy Residency admission
4. Philippines - Complete 6 years and then move to USA for Internship/Residency. USMLE training in Philippines and in USA.
5. Astute propose only english speaking country due to focus on clinical (patient diagnosis)

National Medical Commission only recognise PG degrees from USA, UK, Australia, New Zealand and Canada thereby students venturing to other countries cannot complete PG in those countries. Astute provides Philippines students direct gateway to PG in USA with stipend.

Due to limited MD/MS seats in India with high Fees, even Indian MBBS students venturing to USA for PG-Residency. USA education is cheaper than India with huge Stipend. Residency in USA is World's #1 Program having global recognition.

# USA- Medical Education- World's #1

Some of the Major initiatives with Options for Students:

## **Residency Program:** Medical PG program

World's #1 Medical PG program: Free Education with Huge stipend. National Medical Commission accepts US Residents directly to practice in India without any exam. Students from India, Russia, China, Philippines and other countries flying to USA after completion of MBBS for Residency.

## **Research Fellowship:**

Astute helps students work under the supervision of Doctors and do minimum 1-2 years of Research in specified specialisation for profile enhancement. Student may get the Research Stipend during the period and is thereby also called gateway to Residency or Ph.D. program.

## **Physician Assistant (PA):** Medical PG Program

There is huge demand of PA in USA. These PA help the doctors across all streams from Gynaecology, Medicine to Surgery. 24 to 36 months course helps Students aspire Medical Career in USA.

## **Medical Technicians & Technologists:**

These are highly skilled job oriented courses. Huge demand in USA. Students can enter after 12th or after Bachelors with Biology. Depending upon the specialisation there are 3 to 5 years courses after 12th standard or 1-2 years after Bachelors. Excellent salary.

## **Nursing:**

US has 2 to 4 years of Nursing program depends upon whether you have prior knowledge of Nursing or not. Those who pass out Nursing from Indian institutes can take fast track to become Nursing in 2 years. There is severe shortage of Nurses in USA and is one of most rewarding career.

## **Fellowship for Doctors:**

Practicing doctors would like to do short term Fellowship in order to enhance their skills. There are 2 to 6 months of Fellowships available in USA in almost all areas. Popular being Robotics Surgery, Oncology, Orthopaedic surgery, Paediatrician etc. Doctors even with 20-25 years of practice regularly visit USA. Astute helps these doctors hone the skills in Prestigious hospitals.

## **Scholarships and Funding:**

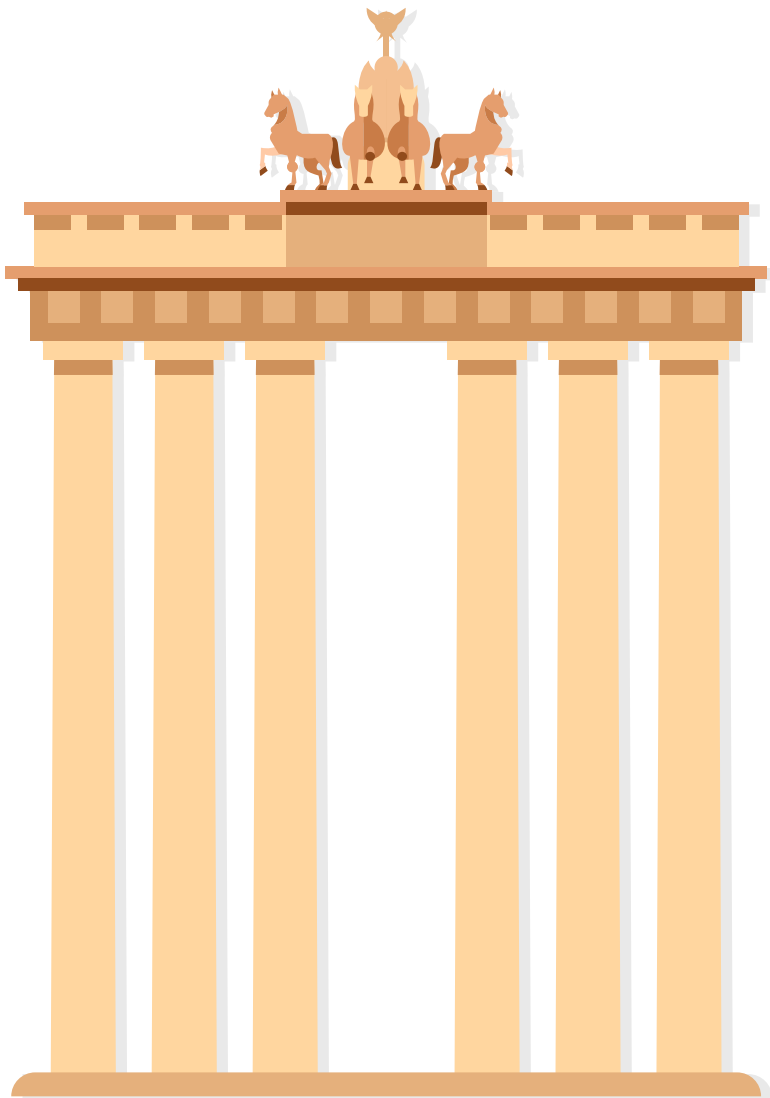

US universities offer Huge scholarships for Bachelor's and Master's. Astute also helps students get Bank loans with ease. Dr. Tushar Vinod Deoras personally ensures funding closure ensuring students from financially weaker section can also aspire quality education.

**Germany is one of the World's top  
5 Economies with Free / Low Fees  
Quality Education in most Universities**

# Germany - World's 2nd Best Education Destination

Germany provides one of the best Research based education in World. Being amongst top 5 Economies in the World with huge research funding, Germany offer **Free or Low cost education** in most of universities.

## Unique Highlights:

- ✓ English and German Medium Courses
- ✓ Most institutes in Engineering, Medical provide Free education
- ✓ Many Popular Bachelor and Master Courses in English Medium
